Bangalore 14th January 1882

To,
The Secretary to the Dewan
of Mysore.

Sir,

I have the honor to bring to your notice, with reference to the Offg. Resident's letter N: 154/280 of the 30th September last to the Government of India, that Major J. B. Lawrence, 1st Grade Assistant Superintendent Mysore Revenue Survey, is expected to return from Furlough on the 17th March 1883.

I beg that I may be informed whether, in the event of Major Lawrence rejoining I am to provide him with employment in the Revenue Survey Department until the

the necessary arrangements have
been completed for his
employment elsewhere. I would
more especially quote one portion
of the offg. Resident's letter
above quoted in which the
following occurs.

"It is requested that the
"Government of India will take
"steps for finding employment
"in other Surveys for the Survey
"Officers to be relieved on 1st
"November 1883 and I have
"expressed my hope to the
"Dewan that the Mysore
"Government will not require
"these Officers actually to
"quit its service until employ-
"ment has been found for
"them" There is no reason
I

I presume why this should not apply to Major Lawrence also.

3 In explanation of the reason for my referring the above question I attach copy of an extract from a letter of the 20th ultimo addressed to me by Major Lawrence upon my forwarding to him copy of the Offg. Resident's letter. I would suggest that a copy of this letter be forwarded to the Resident with a view to the provision for Major Lawrence being made before 17th March next and duly intimated to him. In the
meantime

meanwhile I would ask the
Government of Mysore in the
event of the necessary arrange-
ments not being made, to
authorize me to employ Major
Lawrence in the Survey Depart-
ment, until they are made.

I have the honor to be
Sir,
Your most obed^t serv^t

Superintendent Mysore
Revenue Survey

Extract from Major Lawrence's
letter dated 20th December 1882.

I am sure, in consideration
of my long service under your
orders, you cannot refuse to
show me at least as much
consideration as you are show-
ing to your two Junior Officers
Messrs Hudson and Laceron
and by speaking to the Resi-
dent and the Dewan permit
me at least to hold my ap-
pointment up to the date
that Mr. Hudson and
Mr. Laceron are allowed
to retain their appointments

viz. J.

vingt 1^{er} November 1883. You
cannot refuse to place
one of your oldest officers
at least on an equality with
the Junior officer of your
Department. The reason why
I ask thus much of you is
because this is absolutely
the very first intimation
I have received that you
propose to deprive me of
my appointment in March 1883.
Thus I have had no time
to communicate with the
Bombay Military Authorities,
and my furlough is drawing
to a close. If you will
show one of your oldest
Officers

Officers the courtesy and the consideration to procure for him permission to rejoin his old appointment and hold it, at all events till November 1883, this will give him time to look round during the rains in Bangalore and apply to the Bombay Military Authorities and make some endeavour to secure another appointment

Sir, I have the honor, in reply to your letter N^o A3-46 dated 27 80 the 9th ultimo, to state that Major J. B. Lawrence Bombay Staff Corps has served in the Survey under my charge for about 15 years and is ^{now} graded as an Assistant Superintendent of the First Grade. I consider Major Lawrence to be an Officer of very good ability and as regards his character the fact of his having attained the 1st grade of Assistant Superintendent must be held sufficient to show that

that his conduct has never been very seriously in question, the 1st and 2nd grades being attainable on special recommendation only. Since Major Lawrence reached the 1st grade, and especially during the recent Famine, his work has not been quite so good as I could have wished but at that time he suffered, as did most of the Officers of this Survey, from fever and the difficulties to be encountered were of great magnitude.

2 Major Lawrence's services have now been dispensed with in connection with the completion of the Survey of this Province but more especially with reference to

to the Policy which the
Local Government has adopted
of giving a trial to the
utilization of the services
of Natives of the Province
in the higher Posts of the Survey.

Sir,

I have the honor to forward
an application from Major J. P. Lawrence later Assistant in
this Department which he has
now made in accordance with
the suggestion of the Assistant
Resident made in his letter
N^o $\frac{685}{331}$ of the 2nd Instant, here-
with enclosed for compensation
for loss of appointment in the
Mysore Revenue Survey.

2 Major Lawrence quotes
the case of Captain Price to
whom, although leaving the
Department at his own request,
a compensation of 2 months' pay,
at

at the rate of Rupees 720 per
mensem was granted. I did
not at the time consider that
Captain Price had any reason-
=able claim and consequently
I did not advocate his wishes
beyond testifying to his general
qualifications and the performance
of his work while in the Department.
Major Lawrence's claims are
far stronger than were those
of Captain Price for he leaves
the Department against his
wish and sooner than is called
for by the normal reduction
of the Department as connected
with the anticipated com-
=pletion of the work. Major
Lawrence however submits
no claim but asks for some
compensation

compensation as a matter of
favour and in that light
I now forward his application.

To, Major H. Wyke C. S. I.
Assistant to the Resident in Mysore.

Sir, I have the honour to request that you will be so good as to lay before the Resident in Mysore for his sanction & recommendation this my respectful application that the Durbar of His Highness the Maha Rajah of Mysore may be moved to grant me Compensation for the serious loss which I am now sustaining of my Appointment as an Assistant Superintendent in the Mysore Revenue Survey: which Appointment I have had the honour to hold for the last $14\frac{1}{2}$ years viz^t since the 15, January 1869, & which I am now losing in the exigencies of the Service, resulting from the

the late Rendition of the Mysore Province.

2. I have the honour respectfully to explain & point out that, owing to my present loss of Appointment & my consequent sudden transfer to Military Duty at Ahmedabad in the Bombay Presidency I now find myself put to the serious expense of providing myself forthwith with: A Complete Military Equipment. Also: a Parade Charger, & further: of paying the Railway Expenses of myself & family to Ahmedabad a distance from Bangalore of about 1,150 miles. These three items are now involving me in an outlay of about Rs. 2,000 or more.

3. I have the honour respectfully to point out that, in addition to the above large outlay which my present loss of my Appointment involves me in, I further sustain the serious loss of all prospective

prospective promotion & advancement
in that Department of the Mysore State
the Revenue Survey to the performance
of the duties of which I have now
wholly devoted $14\frac{1}{2}$ of the best years
of my Indian service & career. I
now entirely forfeit & forego all such
promotion in the Mysore Revenue Survey
which I naturally & earnestly looked for-
ward to after an honourable service of
 $14\frac{1}{2}$ years as an Officer in that Department.

4 . I have the honour respect-
fully to point out that, a Compensation
in the shape of a grant of Three Months
Pay & further also, a grant of the differ-
ence of Pay between Mysore Civil Appoint-
ments & future Military Appointments
for 18 months has lately been granted by
the Mysore Govern^t. to Military Officers
who have lost their Civil Appointments
in the Mysore State, & also to two Offi-
cers of the Mysore Forest Department, &

& further to an Officer of the Mysore Educational Department.

5. Under all the circumstances of my Case above enumerated I have the honour respectfully to solicit that a similar & like Compensation, as has already been granted to the above-named Officers both Military & Civil — may now be graciously granted to me for the very serious losses which are now entailed on me by my present loss of the civil Appointment which I have so long had the honour to hold.

To,

Major J. B. Lawrence,

Bombay Staff Corps,

Sir

In returning your application for Compensation for loss of your appointment in the Mysore Revenue Survey, I am desired by the officiating Resident to observe that the officers of the late Mysore Commission in the Revenue Department on their retirement from that service, came, in the matter of Compensation, under the operation of certain rules adopted jointly by the Government of India and the Government of His Highness the Maharaja. These rules were not made applicable to officers of the Revenue Survey. As their services were not to be dispensed with at the time of the rendition

If

If however you still wish your claim to be submitted to the Durbar by the Resident - I am to add that your application should be forwarded through Colonel Grant the head of the Mysore Revenue Survey - but it would perhaps be better for you to address the Durbar direct - or through Colonel Grant, in this matter, and to ask for some Compensation in your loss of appointment as a matter of favor from His Highness. ~~the~~ Maharaja

No. 30 of 1883.

Bangalore -
3^d July 1883.

From, Major J. B. Lawrence
late Assistant Superintendent
Mysore Revenue Survey
To, Colonel J. P. Grant
Superintendent
Mysore Revenue Survey.

Sir,
Pursuant to instructions contained in the accompanying letter from the Assistant to the Resident I have the honour to submit to you for your favourable consideration & favourable recommendation to the Resident this my respectful claim for Compensation in my present loss of the Appointment which I have had the honour to hold, under you, in the Mysore Revenue Survey for the last 14½ years vizt. since the 15, January 1869.

2. I have the honour respectfully to submit that a Compensation consisting of two months Pay: at Rs. 720 per month: was granted, a year ago, to Captain Price. Assistant Superintendent. Mysore Revenue Survey. on the occasion of his leaving the Department at His Own Urgent Request & after a service in it of only about ten years.

3. I have the honour — in strong &

striking contrast with the above case — respectfully to submit & point out that my present loss of the Appointment I have so long had the honour to hold; under you, has been directly contrary to my strongly expressed desire & wish that my services might be retained in the Department. In addition to this circumstance I have the honour to point out that it has been my privilege to serve in the Department several years longer than Captain Price served in it.

4. In consideration therefore of all the circumstances of my case & especially the circumstance that it has been my strong wish & desire to be permitted to continue to serve in the Mysore State — added to my long & steady service of $14\frac{1}{2}$ years in the State: I have the honour, with profound respect, to submit that, it will be at once a

a great boon to me in my present
circumstances & also a most gra-
cious act of Clemency & favour
on the part of His Highness the Ma-
haraja to grant me the Compensa-
tion which, with profound respect,
I have already indicated viz. Three
months Pay at Rs. 720 the rate granted
to Captain Price, & also a grant of
difference of Pay for 18 months: between
late Mysore & future Bombay Appoint-
ment.

To
Sir,

The Secretary to the Dewan
Mysore.

Sir,

I have the honor to forward
letter N^o 120 of the 27th ultimo
from Major McFally Assistant
Superintendent, Mysore Revenue
Survey regarding his pending rever-
sion to the Military Department.

2 Major McFally asks me to
advocate his claims to compensa-
tion for loss of appointment; should
I deem them fair. In the case
of Captain Price, who left this De-
partment at his own request,

I considered that no claim to
compensation was justifiable,
he was however granted a Bonus
of 2 months' full pay. Major
Lawrence's case was reported
on in this Office's letter N^o 222
of

Letter N^o 429
dated 6th July 1882.

of the 7th ultimo and is still before the Dewan. These are the only two cases of retirement from the Department hitherto. Major McCally now asks that he may receive at least the same consideration that was shown to every Officer of the Commission when deprived of his appointment. To each such Officer I believe that compensation was granted to the extent of the difference between his Civil and Military pay for 18 months, in addition to a Bonus of 3 months' full pay. Major McCally asks me to state his case for him, with my opinion. Thus called upon, I feel bound to make a few remarks which I trust may not be deemed out of place.

3 Major McCally has, in my opinion, a strong case. His career in this Department has been brought to a sudden close for reasons quite unconnected with the completion of the work or his own wishes.

Considerations

Considerations of policy and of
policy alone, such as led to the
retirement of officers of the Commission,
have been the cause of Major Mc
Call's leaving the Mysore service.
The parallel between the two
cases is thus strictly maintained
and I am bound to state that
as a matter of justice founded
on precedent, Major McCall's
claims are, in my opinion, inder-
=feasible. The expense of making
good the difference between
civil and Military pay is not
likely to be considerable and
may possibly be nothing at all,
should Major McCall ^{by any change of an app't.} ~~change~~ ^{change} ~~get an app't.~~

Superintendent

No. 120. of 1883.

Bidargalore

27th August 1883

To, The Superintendent,

Mysore Revenue Survey

Sir, With reference to para. 2 of letter No. 12: dated 11th July 1883 from the Secy of Mysore to the Officiating Residents in Mysore, I have the honor to observe that in consequence of my services not being required by the Mysore Government in the Revenue Survey Department after the 31st October 1883, that the Residents in Mysore has been requested to move the Government of India to arrange for my reversion to the Military Department

2. The Government of India have already intimated to the Govt. of Mysore that they are unable to hold out any prospect of employment for me; and after my long absence of nearly twelve (12) years from military duty, I cannot hope or with reason expect that His Excellency the Commander in Chief will provide me with an appointment equivalent in pay to that which I now hold, and I therefore trust you will kindly advocate my claims, should they seem fair, and state my case with your opinion for the consideration of the

the Mysore Government in whose service I have been employed for the past $11\frac{1}{2}$ years. -

3. When I entered the Mysore Revenue Survey Department, I never anticipated that I should be thus suddenly deprived of my appointments, but I felt confident that my services would be retained by the Mysore Government until Survey operations in the Province were approaching completion.

4. I must respectfully hope that the Mysore Government when dealing with my case, will kindly bear in mind that every officer of the Mysore Commission on being deprived of his appointments received as compensation, if I am not mistaken, the difference between his civil and military pay for eighteen (18) months in addition to a bonus of three months full pay. -

5. Every officer who has left the Province has been fortunate in obtaining employment under the Govts. of India or the Local Govts. but I have no hope of being so fortunate, as I have been informed that

that the Govts. of India can hold out no prospect of employment for me. -

6. Under these circumstances, when I revert to military duty, I shall, from no fault of mine, find myself on the unemployed list of the Madras Staff Corps, without the smallest hope of re-employment.

7. To show how serious a matter this will be to me, I beg to point out that my present pay is $\text{Rs. } 795$ per mensem including allowances and the unemployed pay of my rank in the Military Department is $\text{Rs. } 640-14$; and as I can hope for no appointments whatever in the Military Department, the difference between my civil pay and allowances and my military pay will be $\text{Rs. } 154-2$ per mensem; or, over $\text{Rs. } 10,000$ in the six years that must elapse before I can be promoted to the rank of Lieut. Colonel, when my pay will be $\text{Rs. } 827-14$. -

8. The loss of my civil appointments, loss of allowances, and no prospect of employment in the Military Department, I consider to be the great hardship in my case, and in making

making this representation, I would venture to hope that the Mysore Government may take the same into their favorable consideration and extend to me the same indulgence as was meted out to all the other officers of the Mysore Government; and grant me a bonus of three (3) months full pay, and the difference between my civil pay and allowances and my military pay for eighteen (18) months from the date of relinquishing my duties in the Mysore Revenue Survey Dept.
